

5TH NATIONAL CONGRESS OF THE UROLOGICAL SECTION OF SERBIAN MEDICAL ASSOCIATION

with ESU course

*“Surgical complications during laparoscopic/robotic urological procedures:
Prevention, diagnosis, management and complications”*

PROGRAM

October 31st – November 2nd 2024.
Belgrade, Serbia

Dear Colleagues,

It is a great honor and pleasure for me to thank you on behalf of the Scientific and Organizing Committee for your acceptance to take part in the V National Congress of the Urological Section of the Serbian Medical Society and ESU Course, which will be held in the congress center of the Tamis Hotel in Pancevo from October 31 to November 02, 2024.

As part of the Congress, the ESU (European School of Urology) course will be held with the theme "Surgical complications during laparoscopic/robotic urological procedures: Prevention, diagnosis, management and complications".

Regional experts will participate in the work of the Congress, and we owe them special thanks.

The greatest value of this Congress will be your active participation in the discussion and the exchange of personal experiences, scientific and professional achievements.

We wish you a successful participation in the Congress and a pleasant stay in Belgrade and Pancevo.

*President of the Urology section of the
Serbian medical society
